What's Happening at the Shelter

😻A Purr-fect Time to Give Back!😻

Feline Rescue Network is excited to be participating in Pikes Peak Give!, a community-wide giving campaign supporting local nonprofits making a difference. This is a wonderful opportunity to help us continue rescuing cats in need and giving them the love, care, and second chances they deserve.

Cats like Parsnip remind us why your support matters. After being rescued from an abandoned RV with more than 30 other cats, Parsnip was diagnosed with FIP, a serious illness requiring extensive treatment. She's now on a 12-week course of medication, and thanks to compassionate supporters like you, she has hope for a brighter, healthier future.

Every donation makes a difference! Your generosity helps provide lifesaving veterinary care, medication, food, and safe shelter for cats who need a little extra love. Together, we can help more cats like Parsnip get their second chance at a happy life.

A Quick Name Note: When you visit our donation page, you'll see us listed under our former name, Look What the Cat Brought In. Don't worry, it's still us! We are now Feline Rescue Network, and your donation will support the same rescue, mission, and cats you've always cared about.

The owners of Window World are longtime supporters of animal welfare and military veterans, and we're incredibly grateful for their commitment to giving back to our community.
